

## **COVID-19 SAFETY PROTOCOL, June 14 - July 4, 2021**

### General Guidelines for DSC Campus

- If not vaccinated, wear a mask when near others not in your household *and* at all times when indoors on campus
- Please be courteous to others and respect their personal space

### Masks On When:

- Gathering close to others not in your boat group (E.g. at the start of a member sail)
- Near youth (including pavilion during camp & Siebel Sailors Programming)
- Adaptive Sailing is occurring
- On the docks near others not in your household nor boat group
- At the daily start of events (E.g. when meeting for lessons)
- Indoors, when entering the BMI or the BMI/DSC office building, rest rooms, or containers

### Masks May Be Removed When:

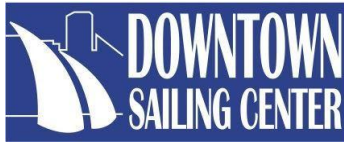

- Landside, well clear of others who choose to wear masks
- Dockside, when distanced from others not in your established group
- Underway, if consent has been established by all in boat group (except for youth events, where masks are required)
- In the office, behind closed doors, if fully vaccinated *and* consent has been established by all in group
- Participating in a planned event where masks are advertised as optional (E.g. member social)
- In the upper or lower parking lot (these areas are designated as “mask optional” zones)

### Other COVID-19 Policies:

- Wash hands when entering marina
- Log-in via the log book

### Other General DSC Policies:

- Safety boxes for J/22s are located by the compression post (mast) forward of the main bulkhead; Sonar Safety boxes are located in a cockpit locker: please open only in emergencies
- Wash boats with soap & water post-sail, and please remove all trash
