Beneficiaries of this event are both at-risk youth and people with disabilities who would otherwise never have the chance to learn to sail. These participants become active in a cross socioeconomic environment where they not only learn how to manage their boats, but garner leadership, team work, develop STEM

## FAQ

### **1. It is rejecting my password? Do you know the issue?**

Make sure you are logging in from the link of the email that was sent activating your page. After you enter your password make sure to press SUBMIT not enter. Then you should be all set!

### **2. What is the best way to edit my page?**

Follow the link send to you from connect responder. That link is your unique link for sharing with friends and editing your page. Make sure to go to the top of the page and sign in if you would like to make edits.

### **3. Why is our profile picture so small?**

Not quite sure why they have your profile picture set to 100px or less. Use paint to downsize any picture you have for your team page. You can also add larger pictures in the tab section.

### **4. How do I confirm that my supporters donated to my page?**

Once you are on leaderboard any supporters can jump on and click on your fundraising page. You can also share your unique link through social media, emails, etc.

### **5. What are the tab options?**

The tab options allows you to expand on your fundraising page with more details, pictures and the reason for your fundraising efforts. Just click on add tab to expand your story.

### **6. What is the best way to kick off a successful individual fundraising effort?**

It is always important to make the first intitial donation to your page to kick start a great fundraising effort. Even if it's a small donation it will encourage others to get excited for your campaign.

### **7. Do you have other tips for first time fundraisers?**

Yes, head to our Tips for Fundraisers to learn more.

### **8. How do I get on the leaderboard?**

By making your first donation to your page you will join our DSC leaderboard.
